### Songs, Poems, Stories, & Fingerplays

Scarecrows - sung to "Sing a Song of Sixpence"

We're the farmer's scarecrow  
We scare the away the birds,  
We keep the farmer's corn safe  
without any words,  
But when Halloween comes  
We jump out of the ground  
And we scare the boys and girls

when they come walking round.

Boo!

Did You Ever See a Scarecrow? - sung to "Did You ever See A Lassie?"

Did you ever see a scarecrow,  
A scarecrow, a scarecrow?  
Did you ever see a scarecrow,  
That's filled with dry hay?  
He's dressed all in old clothes;  
He scares off the black crows.  
Have you ever seen a scarecrow,  
That's filled with dry hay?

## Arts & Crafts

### Scarecrow Lunch Bag Puppet

Materials:

small size lunch bags  
medium size lunch bags  
various colors of construction paper  
tape  
glue  
newspaper

- \*Stuff a small lunch bag half full of paper.
- \*Twist and tape the bag shut. (This will be the head)
- \*Cut facial features from construction paper and glue on.
- \*Use the medium size lunch bag for the body. (Opening side down)
- \*Cut an x in each side of the med.size bag near the top.
- \*Roll a piece of brown paper into a tube.
- \*Slide the tube through the x openings for arms. (From 1 side through to the other) and secure with tape.
- \*Make a small cut in the bottom part of the med. size bag and push and glue the head into this.

\*Make straw from thin strips of yellow construction paper for the hair. These strips should also be glued around the neck and out of the arm tube openings.

\*Cut squares, circles and other shapes for the patches and glue to the body of the scarecrow.

### Shape Scarecrow

Items you will need:

Precut squares, circles, rectangles

Pieces of straw or hay

Glue

Large sized paper.

Optional : Google Eyes (this just make them look fun)

What to do:

Give the children the opportunity to create their own scarecrows using all the items you provided.

Alteration of this would be to use a paper plate and make a scarecrow head using shapes only.

## In The Kitchen

### Scarecrow Cones

Items you will need:

Ice cream cone, vanilla ice cream, toasted coconut or shredded wheat, raisins and candy corn.

Top an ice cream cone with a scoop of vanilla ice cream. Add coconut or shredded wheat for the scarecrow's hair. Add raisins for eyes, candy corn for the nose and cut a raisin for the mouth.
