

NAME: _____

STATISTICS OF WASTE ASSESSMENT SHEET

Maths outcomes (tick appropriate smiley)

IN OUR GROUP WE HAVE -			
Collected information by conducting a survey.			
Organised information by designing and using diagrams and tables.			
Displayed information by constructing pie charts of data expressed in percentages.			
Interpreted information by calculating the mean number of pieces of litter.			
Interpreted information by describing the main features of a graph.			

Teamwork (complete the table)

Did you work as a team?	
Did your group work well together?	
How were decisions made?	
How did you plan and organise the activity?	
Did you manage your time well?	
How did you settle any disputes?	
If you were to do this again, what would you do differently next time?
