

## **Determined to Succeed Enterprise Team Remit**

The DtS Enterprise Team will be led by a Quality Improvement Officer supported by an Education Support Officer and an Administrative Assistant. The QIO and his Team will:

- Organise regular structured meetings with Area Coordinators and Principal Teachers of Enterprise
- Provide regular DtS updates to the Quality Improvement Team
- Ensure that all staff have access to up-to-date information on the work of Determined to Succeed and how this links to A Curriculum for Excellence
- Offer support to schools to ensure that every school incorporates Determined to Succeed within their School Improvement Plan
- Support Principal Teachers of Enterprise in carrying out their designated role in implementing the recommendations of Determined to Succeed and the secondary school action points as identified by the Argyll and Bute DtS Plan 2006-2008
- Support Area Coordinators in carrying out their designated roles in implementing the recommendations of Determined to Succeed and the primary action points as identified by Argyll and Bute DtS Plan 2006-2008
- Support schools providing work based vocational learning opportunities
- Liaise with local colleges, training providers and employers to ensure their continued involvement in the Skills for Work programme
- Draw up Council wide partnership agreements with key stakeholders including Argyll College, Careers Scotland, Argyll and Islands Enterprise and Argyll and Bute Employment Unit
- Assist schools in communicating to Parents and Carers the aims of Determined to Succeed
- Monitor and evaluate the implementation of Determined to Succeed across Argyll and Bute schools
- Share and highlight good practice across Argyll and Bute and contribute these success to the nationwide agenda
- Work in partnership with QIO Culture to develop enterprising approaches to cultural opportunities
- Liaise with the Scottish Executive's Local Authority Support Officer for Determined to Succeed
- Complete annual audit returns on progress of Determined to Succeed plan
- Develop and implement a Business Engagement strategy
- Monitor the effective and efficient deployment of DtS budgets held centrally and available to schools
- Consult on and develop a 'More Choices More Chances' (MCMC) strategy
